Easing the burden for you and your business

CONNECTING YOUR BUSINESS TO TAX EXPERTS

Our tax specialists provide tailored advice both on corporate taxation issues and on personal tax. By understanding what you want to achieve and how your business works, we can provide the sound, efficient tax advice that you need to further your business goals and protect your assets.

A lighter load for businesses

We advise companies, partnerships and other organisations on their key tax issues, from the impact of major transactions such as disposals, to matters such as employee benefits. Our advice enables you to carry out your business plans in the most tax efficient way possible. We also reduce the administrative burden created by ever-increasing rules and regulations, taking care of all the paperwork to leave you free to run your business.

If your business expands internationally it is vital that your investment is made in a tax-efficient manner. We can help you set up the right business vehicles and structures to make the most of an acquisition or disposal and then develop robust transfer-pricing strategies so that the benefits are sustained over the long term. In the hotel and leisure sectors we are a recognised world leader, and our involvement as part of your project team brings credibility as well as experience and independence.

Our VAT experts can help you identify risks and opportunities to reduce costs and improve your cash flow. We also have extensive experience of dealing with enquiries and tax disputes, and have in depth knowledge of the rights and powers of both the taxpayer and the Revenue Authorities. If formal enquiries are raised, we can protect your interests and minimise your tax costs.

Less taxing for employers

Employment is a notoriously complex area of tax. Our specialist team can provide a wide range of services on issues such as PAYE, NSSF,SDL expenses and benefits in kind, to fulfil your compliance requirements and meet your needs.

We also offer preparation and filing of employee expenses and benefit returns,

Protecting your personal wealth

We take pride in being creative so that we can offer a number of potential solutions to any particular tax issue. But we know that the best way to help our clients is by understanding them. Whether you are UK-based or live overseas, we take time to get to know you, to get the clearest possible picture of what you want to achieve, which options are acceptable to you and which risks you wish to minimise.

- The impact of tax can be costly and time-consuming.
- NEXIA SJ can help you control costs and streamline your compliance routines, enabling you to build your business more efficiently and keep more of the wealth that your efforts create.

- International taxes

Protecting your personal wealth

We take pride in being creative so that we can offer a number of potential solutions to any particular tax issue. But we know that the best way to help our clients is by understanding them. Whether you are Tanzania based or live overseas, we take time to get to know you, to get the clearest possible picture of what you want to achieve, which options are acceptable to you and which risks you wish to minimise.

Then we will identify and tailor a tax-planning strategy to suit you, recognising that saving tax may not be your highest priority. Working with the independent financial advisers of Nexia SJ Tanzania's associate firm International Tax Consultants can help you minimise income tax and capital gains tax liabilities, our experts have the experience to ensure that you can achieve your objectives with the minimum of stress and will manage all your tax paperwork efficiently on your behalf.

Solutions for not-for-profit organisations

We work with over 100 NGOs and most International donor agencies so we understand the unique issues from your perspective. Minimising your tax costs, particularly VAT and employee taxes, and ensuring that your fund raising and operational arrangements are robust and efficient will help enhance the impact that your organisation can make. We offer all the services you need to support your compliance routines and can help you create tax-efficient structures for specific events such as property transactions.

Nexia SJ Tanzania also provides a wide range of tax consultancy services to national governments, public sector organisations, international institutions, local authorities, health and educational public bodies.

We have more than 23,000 partners and staff operating from offices around the world. Wherever you do business, we can offer you local expertise backed up by the resources of an International firm.

Nexia SJ Tanzania is one of the leading firms of accountants and business advisers and specialises in advising the management of developing private and public businesses.

We pride ourselves on creating and sustaining supportive relationships where objective and timely advice enables our clients to thrive and develop.

Our clients benefit from an integrated approach based on understanding the key issues facing small and medium-sized businesses. This enables us to meet their needs at each stage of development and allows them to focus on building the value of their businesses.

The principal services we provide include assurance and advisory; consultancy; corporate finance; corporate recovery and insolvency; forensic and taxation.

We have particular expertise in the following sectors:

- Not-for-profit
- Banks and Financial Institutions
- Insurance
- Mining & resource
- Professional practices
- Real estate & construction
- Public Sector
